

Advertise on our stage and...

# Get YOUR name out there!

Get their attention!

**Two ways to advertise:  
10 second still shot or  
30 second commercial**

**Your ad will be:**

- Played before every concert**
- Seen by thousands of people**
- In front of our biggest audience**

The Sangamon County Fair is offering a new venue for sponsors to advertise like never before! It's a 31 foot screen that will be next to our stage. Before each concert, advertisements will be shown. This is your chance to have your advertisement shown in front of our biggest audience every night. Our Friday nights are estimated to be around 10,000 people or more. Imagine thousand of people waiting to see anything on that screen. They should be waiting to see you!

*"The Sangamon County Fair is for You!"*

*Contact any fair board director or the fair office at 488-2685 for more information.*
